Public Notice of Proposed Action

Web Posting Date: 07/19/06

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes.

The Administrator has received a complete application for a water pollution control discharge permit (#NEV2006510) from the following applicant:

West Wendover Recreation District
Toana Vista Golf Course
P.O. Box 2290
West Wendover, Nevada 89883

seeking authorization to reuse treated effluent for golf course irrigation at an 18-hole golf course located at:

Section 17 & 18, Township 33 North, Range 70 East
Latitude: 40° 44' 15" N
Longitude: 114° 5' 4" W

The applicant operates the Toana Vista Golf Course, located in West Wendover Nevada at 2319 Pueblo Blvd. The course is an 18-hole course, covering approximately 110 acres. The treated effluent that is used for irrigation is supplied from the West Wendover Wastewater Treatment Plant (WWWTP, Permit #NEV10019). At a minimum, effluent used for irrigation is treated to meet secondary standards and disinfected with hypochlorite solution.

The permit for this facility requires the addition of groundwater monitoring wells and the sampling of the monitoring wells to assure that the groundwater of the State is not degraded by the irrigation activities. The permit will be issued for a five (5) year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes as amended, and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain effluent limitations and permit conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control should submit their comments or request, in person, in writing, within thirty (30) days of the newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on August 23, 2006. Comments and/or hearing requests may also be submitted via facsimile (775.687.4684) or e-mail (jhogan@ndep.nv.gov).

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received by August 23, 2006 will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Mr. Jim Hogan, Bureau of Water Pollution Control at 775.687.9434, or by facsimile at 775.687.4684 or by email at jhogan@ndep.nv.gov.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
